

## Federal Highway Administration's Mobile Asphalt Technology Center

### INVITATION TO LUNCH & LEARN SERIES FOR THE NEW JERSEY SITE VISIT

You are invited to virtually attend the MATC's lunch & learn series on topics specifically curated for New Jersey. A total of five topics are planned over the course of the MATC's visit to New Jersey. Each session will cover a different topic, and a short update on the MATC's visit to New Jersey will be presented at each session.
