

## Invitation to Support the AAPT Student Chapter Program

Spring 2026

Dear Members of the Asphalt Community,

On behalf of the **Association of Asphalt Paving Technologists (AAPT)** and the national network of AAPT Student Chapters, we are pleased to invite your organization to partner with us as a sponsor for the 2026 launch of AAPT Student Chapters.

The AAPT Student Chapter Program is designed to promote hands-on learning, research engagement, professional development, and collaboration among students who will soon become the engineers, researchers, and industry partners shaping our field. Through activities such as mix design demonstrations, asphalt competitions, technical presentations, laboratory tours, and community outreach, students gain early exposure to real-world pavement engineering challenges and industry best practices — developing practical skills, building professional connections, and fostering a deeper understanding of the tools and technologies essential to delivering durable and sustainable infrastructure.

To support this national effort, we are seeking industry sponsorship of **\$2,500 per chapter per year**. Contributions of any amount are welcomed and appreciated.

**\$2,500**

### Suggested sponsorship — per chapter, per year.

All funds are administered by AAPT, with chapters reimbursed for pre-approved activities. *Contributions of any size are gratefully accepted.*

#### SPONSORSHIP FUNDS ARE USED TO

- Support student-led technical and outreach events
- Invite industry speakers and facilitate engagement
- Provide materials for demonstrations and competitions
- Enable student participation in the AAPT Annual Meeting

#### IN RECOGNITION, SPONSORS RECEIVE

- Visibility at chapter events and promotional materials
- Recognition at the NMC Breakfast, AAPT Annual Meeting
- Acknowledgment across AAPT communication channels
- Direct engagement through presentations and mentoring

As a valued contributor to the asphalt paving industry, your organization's support would play an important role in guiding and inspiring the next generation of professionals. We would be honored to welcome you as one of our **founding supporters** for this national launch.

If your organization is interested in contributing, please use the two links below — first to make your donation, then to share a few details so we can properly acknowledge your support and connect you with chapters:

#### STEP 1 · DONATE

##### Make Your Contribution

Give securely through the official AAPT website. All amounts welcome.

[asphalttechnology.org/donation.cfm](https://asphalttechnology.org/donation.cfm)

#### STEP 2 · SPONSOR FORM

##### Share Your Organization's Details

A brief form so we can acknowledge your support and connect you with chapters.
